RDOS 02.52

ROMs containing version 02.52 of Cromemco RDOS are now available from the Cromemco Customer Service department. Please order part number 011-0081. Pin 21 of the RDOS ROM has been pulled and soldered to pin 20 (chip select ground). This modification ensures compatibility between RDOS 02.52 and all revisions of the 16FDC.

Cromemco Application Note 023-9042, concerning RDOS 02.50, is applicable to RDOS 02.52.
