

# INTERACTIVE SCREENWRITING: PAGE ONE

Pick a **time** and **place** for the action of your module or scene to begin

---

---

---

---

What is the **inciting incident**, the event that kicks things into action?

---

---

---

---

---

---

---

---

Create a slugline for the opening paragraph of your screenplay **i.e.**: INT. CAVE - NIGHT (CA-3C-EXP)

---

---

Write a scene description to accompany your slugline (period, place, people & props)

---

---

---

---

---

---

---

---

Create command options for 3 interactive user choices within the scene

---

---

---

---

---

---

---
