NeXT on Campus™ is published by NeXT Computer, Inc. for the education community. Each issue highlights advances in instruction and research in which NeXT™ technology has played a key role, as well as NeXT-related news, feature stories, products, and resources available to NeXT users.

NeXT on Campus welcomes your comments, suggestions, and contributions. You may send e-mail to next_on_campus@next.com or write to *NeXT on Campus*, NeXT Computer, Inc., 900 Chesapeake Drive, Redwood City, CA 94063. To receive a subscription to *NeXT on Campus*, send your request to the e-mail address or U.S. mail address above.

This issue of *NeXT on Campus* and all back issues are available electronically (in FrameMaker® and PostScript® formats) via FTP from the Purdue public archive site (nova.cc.purdue.edu) in the pub/next/Newsletters directory.

Regretfully, the editorial headquarters of *NeXT on Campus* is unable to handle questions that are technical in nature or queries for information other than business concerning *NeXT on Campus*. For technical questions, please contact your local service center. If you need information on NeXT products, please call (800) 879-NeXT.

WRITING FOR *NeXT on Campus*
If you are interested in writing for *NeXT on Campus*, please send a written proposal with your idea(s) to the e-mail or U.S. mail addresses above.

COLOPHON
NeXT on Campus is produced entirely with NeXT computers. Text is written with WriteNow® 2.0 and Edit 2.0. Screen shots are captured with Scene or Grab, NeXT demonstration applications. Page composition is done with FrameMaker 3.0. Proofs are printed with a NeXT 400 dpi Laser Printer. All text and image files are transferred via a NeXT 2.88 MB floppy disk to a full-service printer.
