Macintosh®, Windows®, Silicon Graphics®, and Sun™

# Adobe Font™ Folio

## The complete Adobe Type Library of over 2,000 typefaces, ready to use

The complete typographic solution that gives you more than 2,000 high-quality Adobe Type 1 fonts, unlocked and ready to use, in Macintosh, Windows, Sun and Silicon Graphics formats.

## The Complete Typographic Solution

The Adobe Font Folio CD-ROM gives you instant access to the entire Adobe Type Library of typefaces. And with the latest version, you can enjoy these exciting new features and extras:

• Full accessibility for Sun and Silicon Graphics workstations, in addition to Macintosh and Windows.
• Adobe Type Browser, with English, French and German interfaces, for previewing and printing of specimen pages for each typeface. (Macintosh and Windows)

• Viewing, installing and managing of all fonts with the Adobe Type Installer. (Sun and Silicon Graphics)
• Keystroke combinations revealed for any font character in your system, using the new Key Cap access utility. (Macintosh)
• 117 new Adobe typefaces, plus the new Adobe Collector's Edition: Initial Caps, three decorative assortments of clip art by Marwan Aridi.
• A LetterPress Special Edition CD-ROM containing 160 of Image Club Graphic's most popular fonts.
