Contest Rules: Offer good in the United States and Canada only. Winners will be chosen by a random drawing on the 15th of each month from the entries received in the calendar month preceding each drawing. Non-winning entries for each drawing will be discarded and will have no further chance to win. Entry for each drawing is limited to one entry for each product registration form obtained with each Logitech product purchased. Or, you may enter once per drawing by printing your full name, address and telephone number on a 3"x 5" card and mailing it to the Logitech Registration Contest, PO Box 4293, Woodland Hills, CA 91365-9656. No purchase necessary to win. Odds of winning depend on the number of entries received for each drawing. Sweepstakes is open to residents of the United States and Canada who are over 18 years of age. Canadian winners are required under Canadian law to take a mathematical quiz by mail. Employees and immediate families of employees of Logitech Inc., its affiliates, subsidiaries and agencies are not eligible. Winners will be notified by mail. Offer void where prohibited by law and in Quebec. All federal, state, local and provincial laws apply. Taxes, if any, are the sole responsibility of the prize winners. Contest ends November 30, 1998. Thirty days after the contest ends, you may receive a list of winners by sending a stamped, self-addressed envelope to Registration Contest Winners, 6505 Kaiser Drive, Fremont CA 94555.
