Problem

Modifications have been made to include FICA changes and changes in the W-2 form.

* * THE FOLLOWING CHANGE IS REQUIRED! * *

Solution

Rather than sending patches, a 700 Series has been issued to include the changes. The Model I version is 700-2225 and the Model III version is 700-2226. Retail cost is \$10.00.

The new version number will be 03.02.00. Please make the necessary entry in your Version Log.
