Problem

Revisions are necessary to conform to new Health Insurance form. The following changes are required in the Medical Office Systems program to allow correct printing on the newly accepted standard Health Insurance Claim Form, FORM HCFA-1500 (4-80).

Solution

Change line 1020 of "DLYENT" and line 1230 of "INSFRMS" according to the following:

- (1) After the first pair of % signs insert 4 spaces.
- (2) After 5 # signs delete 1 space.
- (3) After the last % sign and before the # sign delete 5 spaces.
- (4) In BASIC type LOAD "INSFRMS" and make the following changes.

Old Line: 1190 FORE=1TO17-I:LPRINTLF\$:NEXTE:LPRINTTAB(56);

New Line: 1190 FORE=1TO17-I:LPRINTLF\$:NEXTE:LPRINTTAB(54);

Old Line: 1200 LPRINTUSING"#####.## ####.# # #";TI#...

New Line: 1200 LPRINTUSING"#####.## ____ ####.# # #";TI#...
