Problem

If you have activity in an account other than GL acct #5, and you update the GL report it looks as if the account is a cash account rather than an accrual. This change must be made to the program "APCHECKS/BAS".

Solution

The problem is corrected by following the steps listed below.

1. Backup the diskette(s) and make the changes on the Backup copy of the program.
2. In BASIC load the program by typing LOAD"APCHECKS/BAS".
3. Make the following corrections:

CHANGES (Retype the line or refer to the Edit section of the owners manual)

Old Line: 4430 IFCA\$="C"ANDG=3THEN4450ELSEIFCA\$="A"ANDG=5THENG=GT:GOTO4450

New Line: 4430 IFCA\$="C"ANDG=3THEN4450ELSEIFCA\$="A"AND G>=4 THENG=GT:
GOTO4450

4. Type SAVE"APCHECKS/BAS" to save the changes in the program.
5. At TRSDOS Ready, make a backup copy of the corrected diskette.
