Problem

If a person tries to delete a customer with a zero balance, the system will not allow it, because it says he is owed $14,000,000.

Solution

The problem is corrected by following the steps listed below.

1. Backup the diskette(s) and make the changes on the Backup copy of the program.
2. In BASIC load the program by typing LOAD"ARCF/BAS".
3. Make the following corrections:

CHANGES (Retype the line or refer to the Edit section of the owners manual)

Old Line: 3030 II$=A$(6):GOSUB50210:IFABS(DD#)>5E-03THENGOTO3040

New Line: 3030 OP=8:GOSUB60000:II$=A$(6):GOSUB50210:IFABS(DD#)>5E-03THEN GOTO3040

4. Type SAVE"ARCF/BAS" to save the changes in the program.
5. At TRSDOS Ready, make a backup copy of the corrected diskette.
