### K-Sun Labeling Machine Warranty Information:

All K-Sun labeling machines are covered by a 6 month warranty for 180 days from the date of product purchase. K-Sun Corporation will repair or replace your labeling machine free of charge if workmanship or materials are proven defective. To return item for repair or replacement, customer pays freight to K-Sun and an RGA (return goods authorization) number must be obtained by contacting your dealer, or a technical support center. When returning items under warranty, please include the machine's users name, return address, serial number and purchase date. K-Sun Corporation pays UPS Ground freight to return item to customer upon item's repair or replacement.

This warranty excludes cleaning or damage caused by accident, neglect and/or misuse. Warranty ceases when the product is sold, rented, or otherwise disposed of. Only K-Sun tapes, supplies and adapters (power supply) are recommended for use in/with your K-Sun labeling machine. The use of any other labeling supplies or adapters not sold or approved by K-Sun Corp. voids warranty and can adversely affect the product performance and life span.
